

Certificate of Factory Production Control

This certificate has been issued to

Jetion Solar (China) Co. Ltd.

of

**Number 1011, Zhencheng Road,
Shengang, Jiangyin,
214443, Jiangsu,
People's Republic of China.**

whose production management system has been assessed and found to comply with the Factory Production Control Requirements of the MCS Product Certification Scheme in respect of:

Production of Photovoltaic Solar Panels

at the above address

and includes the following products:

**JTxxxSBb family (where xxx=220-260);
JTxxxSBa family (where xxx=220-250);
JTxxxSGb family (where xxx=200-225);
JTxxxSGa family (where xxx=200-225).**

**Plus additional ranges of Photovoltaic Solar Panels
as detailed on the attached annex to this certificate**

Signed:

Alan Binks

on behalf of BABT

Certificate Number:

BABT 8512 R2

Valid from:

22nd September 2010

This Certificate expires on: 21st September 2013

The holder of this certificate is authorised to use the MCS Approved Product Mark. This certificate has been issued by BABT in accordance with the Certification Regulations of BABT. Conditions of validity of this certificate, if any, are listed in the Annex. This certificate is not transferable and remains the property of BABT at all times. This certificate constitutes page 1 of the combined Certificate and Annex.

(For scope of certification prior to the validity date on this certificate please refer to BABT)

Manufacturing Location:

Jetion Solar (China) Co. Ltd.,
 Number 1011, Zhencheng Road,
 Shengang, Jiangyin,
 214443, Jiangsu, People's Republic of China.

Standards used to establish conformity

MCS005 Issue 2.3 and MCS010 Issue 1.5 on the basis of BABT Assessment Report number BABT8512 dated 30th August 2010 and subsequent information and test data supplied and accepted by BABT.

Product Categories within the Scope of this Certification

Product Category	Conditions
Photovoltaic Panels	See below

Conditions:

This certificate authorizes the manufacturer or their authorized representative to apply the MCS Approved Product Mark to the range of products listed above in accordance with the MCS sub-licence agreement dated **9th September 2010**.

This certificate loses its validity if the manufacturer makes any changes or modifications to the product or the approved quality system, which have not been notified to, and agreed with BABT.

The manufacturer must immediately cease affixing the MCS Approved Product Mark on any product subject to expiry, withdrawal or revocation of this certificate.
