Jetion Named #2 in Deloitte Technology Fast 500 Asia Pacific 2008

Jetion Holdings Limited (AIM:JHL), the manufacturer of solar cells and modules is pleased to announce today that its Chinese company, Jiangyin Jetion Science and Technology Co., Ltd, has been ranked #2 in the prestigious "Deloitte Technology Fast 500 Asia Pacific 2008" program.

The Deloitte Technology Fast 500 Asia Pacific program recognizes technology companies that have achieved the fastest rates of annual revenue growth in Asia Pacific during the past three years. It includes companies based in Australia, China, Hong Kong SAR, India, Indonesia, Japan, Macau SAR, Malaysia, Philippines, New Zealand, Singapore, South Korea, Taiwan, Thailand and Vietnam.

Commenting on this, Lijin Gai, Chief Executive of Jetion said:

"We are delighted to be ranked as #2 in the Deloitte Technology Fast 500 Asia Pacific 2008. It is a great honour to win a place amongst the prestigious companies in Asia Pacific. Jetion has always focused closely on advanced technology and cost-control. Our inclusion in this prestigious ranking reflects the strong leadership of our experienced management team, and the successful execution of our strategy. We are confident that this growth will be reflected in the continued development and manufacture of high-quality solar cells and modules."

Mr. Igal Brightman, Global Managing Partner of Deloitte's TMT Industry Group said, "The vast majority of the Technology Fast 500 CEOs remain very confident that their company will maintain strong growth over the next 12 months-in spite of the recent financial turmoil. These companies have so far successfully navigated these tough economic times because they follow well-articulated business plans, provide innovative technologies and pursue largely new, untapped markets."
